

# Halloween Song – Spooky and Scary Song

Halloween, Halloween  
Creepy, crawly Halloween  
Trick or treating, all in fun  
October thirty-first has come

Halloween, Halloween  
Spooky, cookie Halloween  
Kids in costumes what to say  
On Halloween tonight

Big black cats  
Vampire, bats  
Ghosts and goblins out tonight  
Causing quite the fright

Halloween, Halloween  
Painted faces what I've seen  
Door to door they trick or treat  
For something sweet to eat

Halloween, Halloween  
Celebrating Halloween  
Jack-O-Lantern is all a glow  
As all the ancient's stories go

Halloween, Halloween  
Celtic started Halloween  
They celebrated harvesttime  
With gyps of food and wine

Candles glow  
Spirits go  
Bringin' luck and fortune too  
This is what they knew

Halloween, Halloween  
Know they call it Halloween  
Skulls and bones create a scene  
Very scary Halloween

Halloween, Halloween  
Let's have fun on Halloween  
Witches fly and children scream, tonight on Halloween (2x)
