A comic book style border surrounds the central text. The border is composed of several panels with different backgrounds and sound effects. Top-left: 'ZAP!' in yellow on a pink and purple background. Top-right: 'WOW' in red on a yellow background with radiating lines. Middle-left: 'POW' in red on an orange background. Bottom-left: 'boom' in yellow on a blue background with a white explosion. Bottom-middle: A white star on a red background with a jagged white shape. Bottom-right: A white explosion on a green background. A small white star is also visible on the right side of the border.
